Beschreibung

Herden Immobilien Mallorca sells a 73 square meter office. Busy street in a central location in Palma, on Avenida Alejandro Rosselló, between Corte Ingles and Plaza España. We are waiting for the city council to change the law for the change of use. With current regulations, a change of use cannot be made. Then you could convert the office into an apartment. An interesting office with an interesting price of 220,000 euros including furniture. It has double glazing, air conditioning, armored door and balcony. Very interesting for investors, or for its perfect location for business people.

If I have piqued your interest, please contact me and arrange a visit. I wait for you.
